

Documento de Navegabilidade da aplicação “Predictions”:

Equipe:

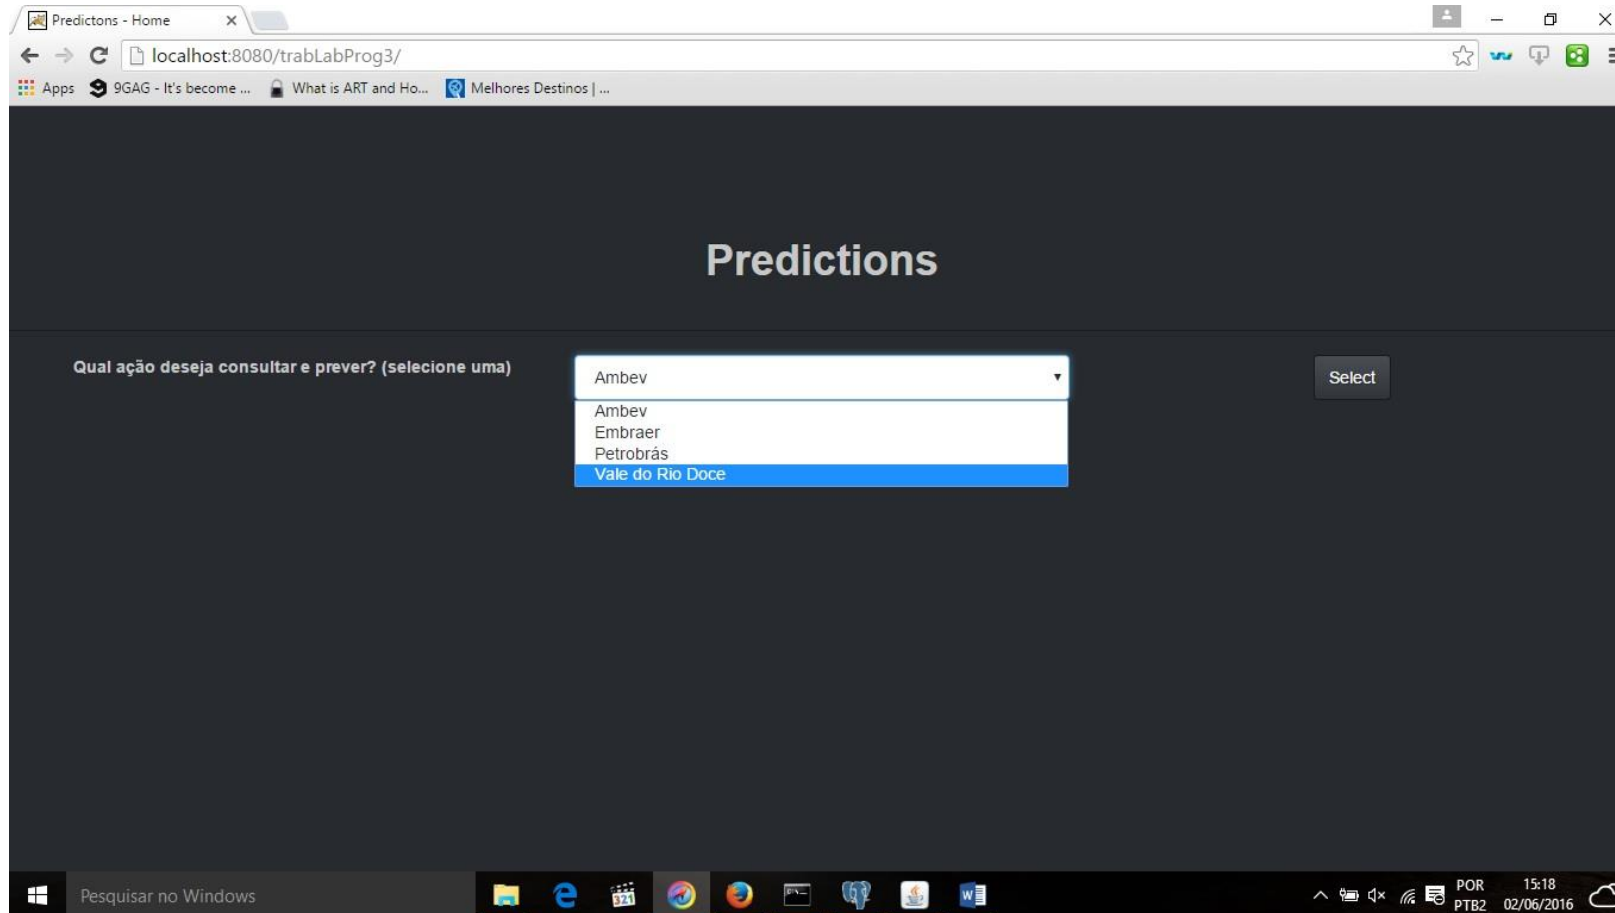

- Caio Marcus
- Cavalcante Bomfim
- Thomas

O diretório “trabLabProg3” é o “root” da aplicação web no TomCat. Vale ressaltar que em “.\WEB-INF\web.xml” há como “<welcome-file>” a URL “.\paginas\home.jsp”

“erro.jsp” é iniciado quando ocorre alguma exceção na inicialização dos servlets.

URL = http://127.0.0.1:8080/trabLabProg3
Path = “./paginas/home.jsp”

URL = http://127.0.0.1:8080/trabLabProg3/paginas/data_inicial.jsp?*
Path = “./paginas/data_inicial.jsp”

The screenshot shows a web browser window with the address bar displaying `localhost:8080/trabLabProg3/paginas/data_inicial.jsp?Empresa=VALE5`. The page title is "Predictions - Data Inicial". A blue header bar contains the text "Informe a data inicial para a analise." with a close button. The main content area has a dark background. On the left, the label "Data Inicial:" is followed by a date input field showing "01/05/2016". Below the input field is a calendar for "maio de 2016". The calendar table is as follows:

dom	seg	ter	qua	qui	sex	sáb
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31	1	2	3	4

To the right of the calendar are two buttons: "Voltar" and "Confirma". The Windows taskbar at the bottom shows the search bar "Pesquisar no Windows", several application icons, and system information including "POR PTB2" and the date "02/06/2016".
